<p>Most programs will come with their own assessment. It is also valid to use the assessments that come with the curriculum schools already have. Teacher-made assessments are an excellent measure if crafted to align with state standards and the concepts, skills, and procedures being instructed. There are also many free curriculum-based measurement tests online that can be used for progress monitoring.</p> <ul style="list-style-type: none"> Richardson and Walther's <i>Next Step in Guided Reading Assessment</i> (Scholastic) Grades K–2 & 3–6 CORE Assessing Reading: Multiple Measures: For All Educators Working to Improve Reading Achievement Any Informal Reading Inventory (IRI) Cool Tools (free- cooltools.com) 	Wilson Language Systems (Foundations, Reading System, Just Words)
